

Celada™ VMB 180

for Vine Mealybug (*Planococcus ficus*)

1. Celada™ VMB Packaging

- Celada™ VMB comes in cards of fourteen units. Simply separate individual units from the card as shown.
- No activation needed. **Do not** snap, twist or puncture the units.

3. Deployment

- Begin hanging dispensers on the first row of the hang pattern.
- For assistance with achieving rate with unique spacing, contact Suterra.

5. Pattern

- When the first row is complete, go to the second row of your hang pattern guide.

2. Hang Pattern

- The application rate is 200 units/acre. Determine your hang pattern based on vine and row spacing.
- Common spacing and corresponding patterns available (see diagram on next page).

4. Placement Check

- Hang at the cordon wire or the base of the canes.
- Ensure dispensers are on a sturdy branch or wire on the shady side.

6. Borders

- Use any extra dispensers to hang on borders or areas of high pest pressure.
